Rich, when you are back in the office can you also check the boxes related to Cargill that ORC sent to the RRC? I'm thinking that we may need to establish a "war room" for bringing all our paper files to one location. Also, Rich and/or Brett, did we ask Sharon to index what the Corps put up on FOIA online?

I'd like to have a list of the key technical reports. I can think of three, but that's just off the top of my head: Josselyn, Baye, ERDAC (is that the right acronym?) Any others?

Hi Everyone,

There are two boxes of Cargill files in the Regional Records Center. These are older files that cover all of the Cargill SF Bay facilities. Below are the two box numbers, in case anyone needs to recall them. Both boxes have my name on them.

RRC Box Numbers:
WTR-RRC-0019
WTR-RRC-0050
